### Goals

If nominated for a further term with the ITU Medical Committee I would like to:

- Continue contributing to the medical and sports science knowledge base that facilitates safe triathlon competition worldwide.
- Continue assessing TUE's for athletes.
- Work towards safe triathlon competition worldwide, including ITU events by liaising with local organisations regarding medical facilities, course layout etc. I would like to continue the role as ITU Medical Delegate.
- Encourage international representation on the ITU Medical Committee, and contact Medical groups in all countries that participate in (international) triathlon events, to ensure safe participation in triathlon.
- Work towards international medical and scientific conferences relating to triathlon.
