

Covid-19 Concept Paper

1. INDIVIDUAL RESPONSIBILITY

The event will follow the latest published Prevention Guidelines for Event Organizers for Covid-19 of the World Triathlon.

Also, the event is under the local regulations, which is the authority with competencies in terms of health <https://www.antsz.hu>

2. PROCEDURES TO ENTER HUNGARY

No specific travel restrictions appeal when you travel to Hungary.

3. RISK ASSESSMENT AND MITIGATION

The Local Organizing Committee used the Prevention Guidelines for Event Organizers for Covid-19 of the World Triathlon in the framework of the Covid-19 document to design the event.

The LOC is implementing its activities to comply with the local health authority protocols and minimize the risk of pandemic spread, keeping participants and the public safe and healthy.

4. PARTICIPANTS' HEALTH SCREENING

See the "TRAVEL" chapter of this guide for information about traveling to Hungary. Registration procedure: Athletes, coaches, and technical officials, will follow World Triathlon procedures:

- a. social distancing is not mandatory
- b. masks are not mandatory
- c. self-isolation in case of Covid-19 infection is mandatory.

5. COVID-19 COORDINATOR

For any questions related to Covid-19 restrictions and travel details, please contact Fruzsina Szabolcsi, Covid-19 coordinator: trievent@triatlon.t-online.hu

6. APPLICABLE MEASURES

Due to the current situation of the Covid-19, the World Triathlon Medical Committee has implemented some measures for participating in the event:

- a. All athletes, coaches and technical officials applying for an accreditation must fill in the online pre-event questionnaire through the link that is provided by the World Triathlon.
- b. At pre-race day registration, questionnaires are checked and gathered by the Europe Triathlon Technical Delegate.
- c. We will continue to respect the decision/rules of the local public health of the host country
- d. All the specific measures can be found in the table below:

Categories	Pre-event questionnaire	Process before traveling	Medical certificate before travelling	COVID-19 test at event	Daily health screening

TDs /ITOs/NTOs/ Competition Jury	In case of stand alone event only				
IF/Continental Federation Delegations	In case of stand alone event only				
LOC/ Contractors	Follow public health request				

7. CLOSE CONTACT DEFINITION AND PROCESS TO FOLLOW IN CASE OF POSITIVE CASE

It is an individual responsibility to self-isolate in case of symptoms and positive Covid-19 test. The organization or Dutch health agencies will not perform contact-screening in case of a Covid-19 infection. Contact with a positive case will not lead to mandatory self-isolation or mandatory tests.

8. USE OF MASK/MOUTH-NOSE FACE COVERING AND RUBBER/DISPOSABLE GLOVES

The use of a mask is not mandatory, nor is the use of rubber gloves.

9. ISOLATION TENT AND SUSPICIOUS CASE

During the event, if a Suspicious Case is identified:

- a. The Suspicious Case is not allowed to enter or continue the event. A Covid-19 test is recommended, but will not be provided by the LOC. Self-isolation (individual responsibility) is recommended.
- b. When medical assistance is needed a surgical mask is mandatory (athletes/team members must have their own).
- c. The definition of a suspicious case in Hungary is: Pyrosis (temperature > 38C and respiratory complaints).

10. CLEANING AND SANITATION

Cleaning and sanitization are in place in common workplaces, but are performed as pre-covid. Products (disinfectant and paper) are supplied to perform self-sanitization as pre-covid.

11. VENUE AND EVENT STRUCTURE

- a. No specific Covid-19 measures are currently in place. No specific Covid-19 measures appeal for spectators or seating areas.
- b. Social Distancing: The recommendations of the health authorities and World Triathlon will be followed.
- c. Sport Presentation: The event will follow the latest published prevention guidelines for Event Organizers for Covid-19 of World Triathlon.
