

Dear athletes,

We look forward to welcoming you in Kitzbühel in only a couple of days! We hope your preparations are going well and you are ready to enjoy the breathtaking experience of racing that happens in Kitzbühel every year. Before you pack your bags, here are a few important things we want you to consider:

Pre-Race bike training

The roads remain open to traffic and are not closed for training purposes! It is imperative that during all training sessions, local traffic regulations, including speed limits, are adhered to. We require all athletes to demonstrate respect and caution towards any vehicles, cyclists or pedestrians to prevent any dangerous situations and accidents!

Side Events

After race party

After the race on Saturday, we invite all athletes to join us for an exciting after-race party downtown! Our program will feature a DJ spinning the latest hits at the 'KC 750' in Kitzbühel from 21:00-01:00, just a few minutes from the race venue. Bring your accreditation and your first drink is on us 😊

Street art Festival Kitzbühel

Furthermore, you have the chance to enjoy music, dance, acrobatics, theatre, clowning and street art in the city center at the "Kitzbühel Street Art Festival" on Saturday. Ten international groups will perform multiple times at various locations, including a spectacular fire show at the "Rathausplatz". Admission is free of charge.

Further competition chance

For all athletes who miss the finals but want another chance to show their talent, there is a chance to enter the Age Group Sprint race on Saturday. The course will be similar to the Elite race. Late entry is possible at the race site as long as spots are still available.

Sustainability

Please be mindful of our waste separation system. There is also a high-quality water tap available in the athletes' lounge to help avoid single-use plastic. Let's work together to create a sustainable event!

Pasta Party

"Don't worry, eat curry" – will be the motto again this year for our pasta party. Our chef will prepare a delicious vegetarian meal free of charge for all elite athletes.

See you at the start line, your Kitzbühel LOC!
