

# Europe Triathlon Age Group Sprint Distance Championships Munich 2022 Announcement

Within the scope of the European Championships Munich 2022, the Europe Triathlon Age Group Sprint Distance Championships will also take place. This document provides initial information on the event and will be followed by news updates every 2-3 months. The more detailed athletes guide will be published closer to the event.

## General Information

As of April 24, 2022. All information is subject to change.

**Date:** Sunday, August 14, 2022  
**Organisers:** German Triathlon Federation  
**Main Venue:** Olympiapark Munich  
**Start Venue:** Karlsfelder See, Karlsfeld

## Distances & Courses

Swim	Bike	Run
750 m	22 km	5 km

### Swim Course

One loop (anti-clockwise) of 750m in Karlsfelder See.

### Bike Course

Point to point course from Karlsfelder See to Olympiapark Munich. No loops, just one way with approximately 22 km. The Europe Triathlon Age Group Sprint Distance Championships Munich 2022 will be a draft legal race. Please check the **World Triathlon Competition Rules** for bike equipment requirements (chapter 5.2; page 37 ff.).

### Run Course

Also the run course is a point to point course, using mainly the elite race courses in the Olympiapark Munich and ending in the finish venue for triathlon and mountain bike elite races. The walking distance between transition area 2 and the finish venue is approximately 5 minutes.

**Exact routes and course maps will be published at a later point.**

## Cut Off Times

Swim + T1	Swim + Bike	Swim + Bike + Run
30 min	1 hr 30 min	2 hrs

The cut off times are valid for each start wave individually. Especially on the bike course athletes might be taken out of the race, also along the course, if he/she is too slow to meet the cut off time at the end of the bike part. In this case the organizers will provide transport to T2.
