## COVID-19 MEASUREMENTS

For more detailed information on the covid guidelines, please see the Concept Paper on the World Triathlon Website.

Fill in the online pre-event questionnaire through the World Triathlon website. Adding to this, all Elite/U23/Junior/Para must submit a pre-travel medical certificate according to the requirements of the World Triathlon Medical Committee.

Additional for Junior Athletes under the age of 18: The parental form below is mandatory to be fully filled and signed by the underage Junior athlete's parent or legal guardian and shall be taken to the Event. Without this signed form the minor will not be able to participate in the Event. If you already have filled out this form for a previous race this year, you can use it again. Parents of all underage junior athletes should fill out the online parental consent form at the triathlon.org website

In the registration and athlete's area, there is a strict one-way system. There will be a separate entry and exit. Check-in and check-out flow is also a one-way system. After the finish line, athletes are expected to leave the finish area as soon as possible through the designated exit.
